MEMORANDUM FOR: General Counsel

STATINTL FROM :
Deputy Director of Personnel

SUBJECT : EAA Legal Advisor

1. It is requested that you designate a member of your staff as the Legal Advisor to the Agency's Employee Activity Association (EAA). The Association occasionally has questions arise which should receive the consideration of a lawyer. In the past, such matters have been referred to a Legal Advisor appointed by your office; however, there is no such person currently designated.

2. The EAA has one item of current business which requires legal advice, that being the negotiation of a contract with the Kennedy Center to be a vendor of tickets. (See copy of form contract attached.) It would therefore be most helpful if you would appoint a Legal Advisor to the EAA to consider this and other items of concern as they materialize.
